They Got Up a Fair.

Four little girls Aving in the vicinity of west Ninety-seventh street got up a fair for the sick babies. They were Violet Wilkinson, Anna Sharretts, Seima Licutenstein and Mully Swartz. They worked hard and real-ized \$3.

THESE HAVE SENT MONEY.

The following letters accompanied subscriptions which have already been acknowledged in the regular subscription list. Owing to lack of space they were omitted. TWO SARNEST HELPERS.

Neilie who is a bright, matronly little girl has made it her special care for the last four years to see that her triends do not forget the sick bables. She has always been accompanied by Elsis.

To make their appeals the more irre-istible these tiny Samaritans head their lists with the following interrogatives:
Have fou a baby whom you love? or dill you have a baby whom you love? or do you know a baby whom you love? or dill you have a baby whom you love? or will you help the bables who are slek and poor and who need your love and assistance? J. Goldenkranz, 50 cents; Chark, 10 cents; Peter Loughran, 50 cents; Chark, 10 cents; Peter Loughran, 50 cents; Chark, 10 cents; A. Lury, 10 cents; Moses Simon, 10 cents; M. Bachrach, 10 cents; Moses Simon, 10 cents; M. Bachrach, 10 cents; Mr. B. B., 10 cents; Cash, 25 cents; Cash, 26 cents; Cash, 27 cents; Lambrecht, Jr. A. Wirth, Frank S. Rees, A. Tyroler, C. L. Lindner, Baby Lippe, 25 cents; Edith Decw, 10 cents; Jenette Ratz, Mr. Kritzer, 25 cents; J. Engle, 10 cents; White straw Hat, J. Fanning, 25 cents; cash, 10 cents; Straw Hat, J. Fanning, 25 cents; cash, 10 cents.

ing and dranking, and good plain food, with a moderate amount of cooling driuk, is desirable. It is a mistake to drink too much and too frequently, especially as a morsel of ice in the mouth gives as much relief as a whole glassful of ice water and is much safer.

Above all, people should avoid worrying over troub es or exciting themselves unnecessarily about trifles. Wait for fretting and fuming until the warm weather passes away and the cool, refreshing breezes for which New York is famous come back to us from the ocean.

STE/L'NG THE HARLEM.

The Vanderbilt corporations are still seeking to seize upon the upper part of the island, as they have already seized the selected as a such passes and page that sap their strength and place their little lives in jeopardy.

Think of their helplessness and of the homes that are darkened when these thay Joseph Hildemann, F. Folster, 25 cents; W. John Pager, 10; C. H. Ohn Ryan, 10; C. F. Heltmann, 10; F. F. Cooper, 10; C. H. G. ONCAI, 10; J. C. M. Heil, 10; D. John Ward, 10; Z. M. Heil, 10; D. John Ward, 10; Z. M. Heil, 10; D. Fallips, 10; H. F. Benre, 10; Geo. Morton, and watched despairingly the flickering and fuming until the warm weather passes away and the cool, refreshing breezes for which New York is famous come back to us from the ocean.

STE/L'NG THE HARLEM.

The Vanderbilt corporations are still seeking to seize upon the upper part of the island, as they have already seized the island, as they have already seized the island, as they have already seized their little lives in jeopardy.

Think of the good part there they interest that are darkened when these tiny Joseph Hildemann, F. Folster, 25 cents; S. A. Sansimon, 10 cents; M. Folster, 10; D. Far. San simon, 10 cents; M. E. Man Simon, 10 cents; P. San simon, 10 cents; W. San s \$10.31, subscribed by the following:

Another Package Party.

In the Pditor On Sunday evening last, at Comfort Cot tage, Sea Cliff, L. I., an entertainment and pound package affair was given by some of the members of the Clement Club, of New York Cly, for the benefit of THE EVENING WORLD Sick Baby Fund. A debate, " ite

More Seamstresses.

To the list of women printed in Tuesdays EVENING WORLD, who responded to the state-ment of "A Distressed Mother," by declaring their willingness and anxiety to obtain en ployment by the day as seamstresses the names and addresses are here added: Mrs. Mackay, 508 Marcy avenue, Brooklyn, and Mrs. E. Enas, 886 Madison street, Brooklya Mrs. Mackay is a young widow who is skilled in all lines of needlework. Mrs. Enas's busband has been sick for four years and she

Mrs. Justice Field's Egg Pudding.

Three eggs, yolks and whites beaten separately; one tablespoonful cornstarch; two tablespoonfuls of flour; two tablespoonful of butter, and milk to make a good batter Bake in hot oven fifteen minutes and sorre with a sauce made of one cup of sugar, one tablespoonful of butter, yolk of one egg b-aten till creamy. Add three-fourths of cup of hot water and stir till smooth Squeeze a lemon for flavoring, and grate the rind, then whip in the beaten white.

Don't Jabber, Talk Sense.

Girls, be sure you are well informed on any to, ie telore you attempt to discuss it. Word without knowledge only lead to defeat, by when you are certain of yourself and you

that you can discuss topics other than dress, firthetions and gossip. It is as great au to complishment to be a good talker as an other art you may try studiously to acquire Wit you may never possess, but any woman who tries can become a sensible, pleasing talker, to whom any one would be glad w

Dainty Bureau Covers.

Plain book muslin makes the daintlest kind of bureau and totlet table covers. If the room where it is used is plak or blue the musling stamped with a bold conventional designs wild roses, which are to be embroidered in the simple long and short stitch or with button soled edges in shades of pink. The leaves at outlined in dull green and the whole co cobwebbed coarsely with fine silk in pinks blue, according to the lining, which may b of pink or blue silesia. The cover should t cut exactly the shape of the bureau itself a have a platted frill to hang over the edge.

To Clean Engravings.

It has been found that ozone bleaches pape perfectly without injuring the fibre in the least. It can be used for removing milder and other stains from engravings that has been injured by hanging on the walls of dan be generated by putting pieces of clean pho-phorus in the tottom of the vessel partials cover ed with water.

A New Sleeveless Jacket.

will be found even more palatable than when sugar is added. Lemons are, indeed, the great panacea for warm weather. A glass two-thirds full of pure lemon juice, to which add the remaining third of cold water, is the out a new sleeveless jackket, front and bad.

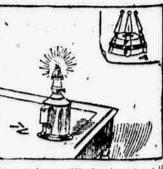

It is to be worn over a blouse, and wide black satin revers. For this season the year it could be made in blue serge;

Make This Lamp with Matches. When you turn a wooden match, you f

table are also convenient as receptacles for the mussed handkerchiels and laces which are too fine for sending out to the common that there remains a little quantity of wh ashes, which reddens with great case if y blow on it. Fix some of these ashes on t points of tour ordinary pens, and attach the around an ordinary cork, pierced in the cen Most of the disorders of children, particularly of infants, arise from some derangement of the digestive tract. The food is not

If you and any difficulty in na tost ! whos stick to the points of the pens hal a match on each pen point and then it each match burn down. Carefully place the cork thus equipped on a little lamp filled will mineral oil, so that the wick of the last passes through the hole in the cork.

ashes of the matches, by incandescence, take on a magnificent thush, and for a moment the light will be almost us strong as that of the ordinary e.cetric lamp. Millions of Toys.

Nell Nelson visits and describes the busy factories of Nuremberg. In the "Sunday World."

Now light the tamp and keep the wick will lowered, so that it gives taly an almost in perceptible blue flame, and you will see to
